# Tips on How to Enjoy Winter Carnival

We must insist that it is not difficult to enjoy any event that occurs in Sir George Williams. Nevertheless, we are aware that students, and especially the scholars of Concordia, have a hard time over-coming their inhibitions that are the result of, and reinforced by, their conscientious and consistent attendance of classes. We realize that you have all developed a routine in which those essential 10 or 12 hours spent studying in the library under primitive conditions will be hard to lay aside for a week. Therefore, a few hints made by students who are accustomed to breaking their routine will be of valuable assistance.

In the first place, pay no attention to the unblinking stares of those knowledge hungry animals who are hunting for a partner in their quest for wisdom and experience. Secondly, when mistakenly entering the cafeteria at night during the carnival and finding a species of the human animal doing the Hustle, rather than nourishing themselves, join them for a valuable cultural experience that you can feature in your next socio-antropological term paper. Thirdly, as an example that will dispel all of those theories that you have heard in class about students being an essentially lazy creature, come to the events that showcase the latent competitive spirit of Sir George. You may find that you do have something in common with everybody after all - the desire to succeed. And finally, learn to indulge. The use of liquid refreshments is an effective tool with which to lower all social barriers that have been confronting you and hindering your making the acquaintance of that special figure of your fantasies.

If these tips haven't been helpful by enabling you to enjoy Winter Carnival 1979, then you are probably destined to be an anti-social loner. Mind you, we will all be jealous when you receive your final straight A transcript.

So take a break from February 4 until the 10 and ENJOY, ENJOY, ENJOY. Remember Sir George inhabitants, let's make this the best Carnival ever because this year we are still In The Mood.

P.S. A special thanks to our sponsors, advisors, and the Carnival Committee who have worked so hard to make this incredible collection of events possible.

## Puff the Magic Dragon

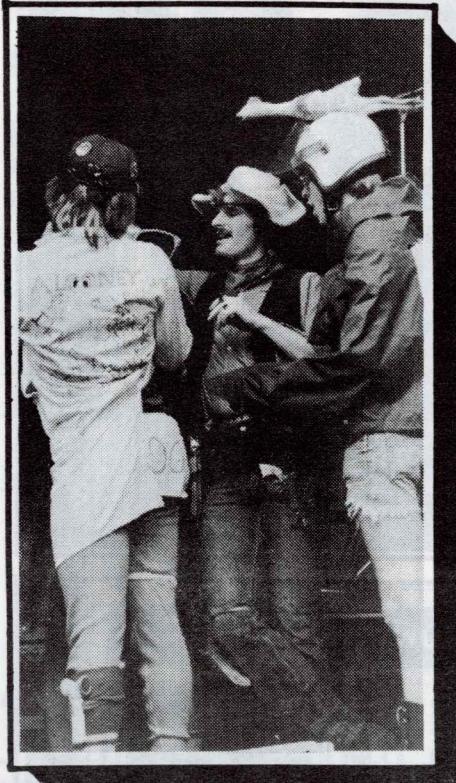

Ease on into Winter Carnival '79 with an evening of Home Grown Entertainment. Mimes, Musicians, and Merrymakers will transform H-639 into an intimate coffee house, reminiscent of the days of Peter, Paul and Mary and draft card burning. Soft melodies intermixed with foot-stomping tunes will make for a casual and relaxed time.

p.s. Puff the Magic Dragon may make a cameo appearance.

**MONDAY**

## Three Wheels for Peddle Power

Carnival insanity takes firm hold on the campus with this annual grand prix of the wheeled mayhem. Our drivers will take their mark on upper Bishop, madly fly down the straight away, hairpin on to de Maisonneuve, flash by the Hall building and cross the finish line on Bishop! Find a trike and become a daredevil, join your favorite's pit crew or view the drama from your choice venue.

## Will they manage their assets well?

For all you beauts out there come show us what you've got. (Engineers, what you'd like to have!) An all female panel will be judging physical features, hair and eye colour, body, I.Q., etc. etc. (Plumbers will be exempted from the I.Q. Section for we are an "Equal Opportunity Evaluator.")

If your ASSETS don't match your debits then this is your chance to learn basic figures. Most just want one bottom line. If you MANAGE your ASSETS well, MARKET yourself well and sell one product well then this event is for you.

Science, Arts, and Fine Arts welcome too.

Love and Kisses  
One of your judges.

# Mezzanine Madness

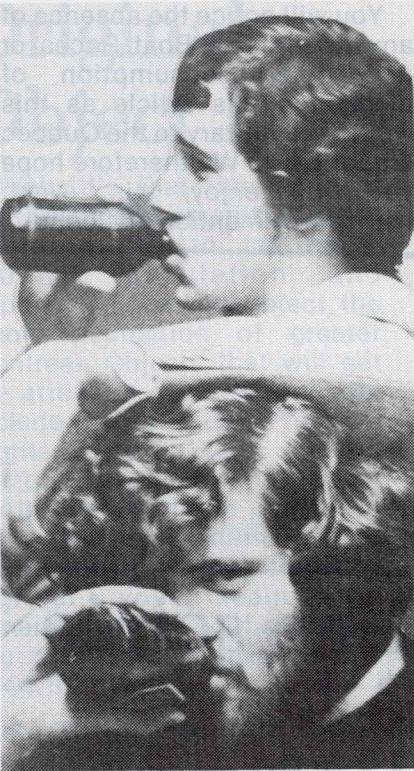

"Shooter" is back on centre stage and will set the 1979 Carnival off on the right foot. The very popular Toronto based group will provide music best suited for dancing and just plain socializing.

We certainly do not condone the practice of "skipping" classes in our Prestigious Academic Environment, but "Shooter" will supply enough entertainment and good times to think twice about that 2:45 Survey of Basket Weaving course. See YOU there!

## Opening Beer Bash

# Fashion Show & Disco

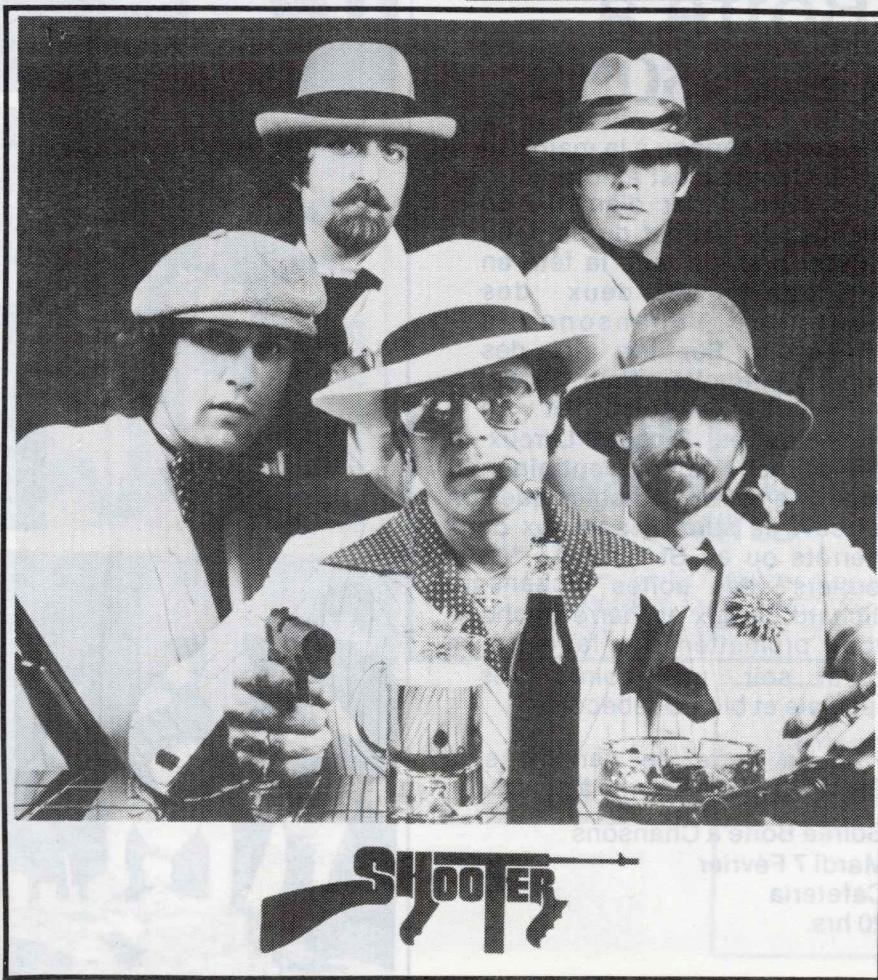

As this year's Winter Carnival is the final one of the '70's, it is only appropriate that some event should be planned in honour of the most spectacular social recreational and cultural activity of the 1970's. Not only has this activity bred a huge population of disco dancers of the Travolta strain, but it has furthered the development of exciting new styles of dress for both the Travoltas and Donna Summers of Montreal.

An incredible fashion show, sponsored by The Bay, will offer you dancers a most satisfying and relaxing respite from the dance floor. And for those of you who have energy to spare, find your partners and put on your Saturday Nite Best. Sign up for your chance to show us your Disco dance style and compete for prizes.

Sign up on the Mezzanine or in H-639-3.

TIME: Monday, February 5th, 1979

PLACE: Cafeteria, 7th floor

## New Coming of the Ice Age?

In a desperate attempt to be innovative, the 1979 Winter Carnival Committee introduces a new event; "Ice Sculpture a la Concrete Campus." Individuals and various organizations have been invited to express their creative talents on the favorite winter medium of solidified H2O. This event is taking place on the Mezzanine of the Hall Building. With due consideration to the warm, cozy confines of this atmosphere, the object is to complete the master piece before the information desk floats down de Maisonneuve. It should be extremely interesting and challenging.

10:00 - 5:00 The Mezzanine

## Happy Hour

During Carnival Week, Tuesday and Wednesday, from one to five are designated cheapy hours in the Pub. The price of internal enjoyment will be reduced to an outrageously low amount. Tuesday's Happy Hour will have a Nautical theme. ALL BLUE BEARDS and POT BELLIES from the respective associations and or sororities are cordially invited to congregate at approximately two o'clock. We strongly suggest representation by at least four members of each group to enhance the theme.

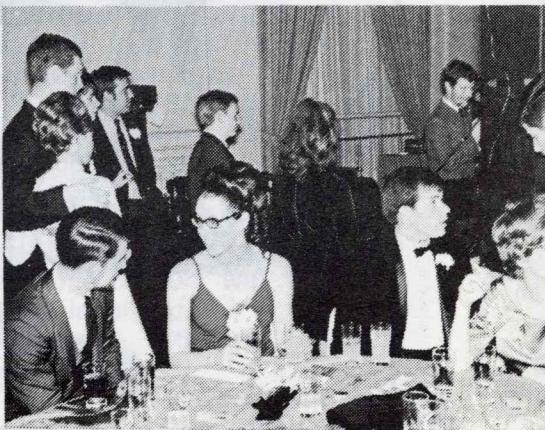

You will notice the absence of any referrals to Boat Races or any other consumption of alcohol in this article as this would be contrary to the Quebec Liquor Laws. We therefore hope you will enjoy this event, without the mention of alcohol.

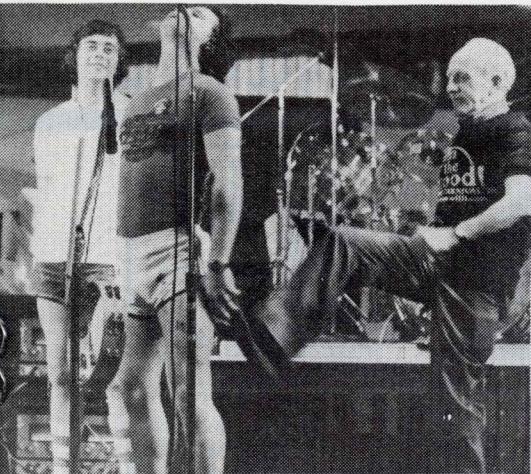

## Une soirée à la Boîte à CHANSONS

Verre de caribou à la main, Gens de Sir George c'est à notre tour de nous faire parler d'amour, de chanter, de frapper du pied, de turluter bref, de faire la fête en compagnie de deux des meilleurs chansonniers Québécois. Sur les airs des Robert Paquette, Paul Piché, Vigneault, Garoulou et de bien d'autres, Richard Leroux et Pierre Rachotte nous entraîneront dans une soirée endiablée que l'on retrouve le samedi soir aux deux Pierrôts ou au St-Vincent. "Vieux routiers" des boîtes à chansons Richard Leroux et Pierre Rachotte nous promettent de faire de ce mardi soir, une soirée très spéciale et bien Québécoise.

P.S. Un verre de caribou sera GRATUITEMENT versé à l'entrée.

### Original Object Hunt

Well, it's that time of year again when all you crazies get to prove yourself to the entire student population and depending upon your object, the whole population of greater Montreal. Objects that will get the attention of all of Montreal include Brinks trucks, Phantom Fighters, the S.G.W.U. Athletic complex, etc. etc.

All objects will be judged on originality and difficulty of presentation. So don't forget to register your team and remember - don't do the crime if you can't do the time. GOOD LUCK!!!

First Prize — 500 bottles of fermented hops.

### Boogie Down to the Sound of the Sunny Caribbean

Caribbean night is a traditional event in Sir George Williams' annual Winter Carnival. It is aimed at providing the West Indian students on campus with a bit of their cultural musical heritage (calypso and reggae), at this very cold time of year. Besides the music, (which is mostly provided by a steel band) the other main attraction is rum punch, West Indian style. An additional attraction this year is the very popular dish, Roti.

It has been observed in the past that along with West Indians, the Canadian attendance is also very good at this event, which ironically coincides with the Trinidadian Carnival, which is one of the world's most famous carnivals.

## Grease Night

Rock and Rool to the "Duke of Earl". If you know how to "Do It" then put on your dancing shoes and "Jive" your ever lovin' legs off.

Rock and Roll all night long courtesy of the Duke of Earl. Don't leave your little Dutchess at home.

In order to really participate we encourage you to come in a Grease costume. WE OFFER CHEAPER ENTRANCE AND PRIZES FOR THOSE REALLY HIP CATS.

This has the potential to be the liveliest event of the Carnival this year, so come on down and ENJOY!!

THURSDAY, FEBRUARY 8, 1979, CAFETERIA 7th FLOOR.

## DUKE OF EARL

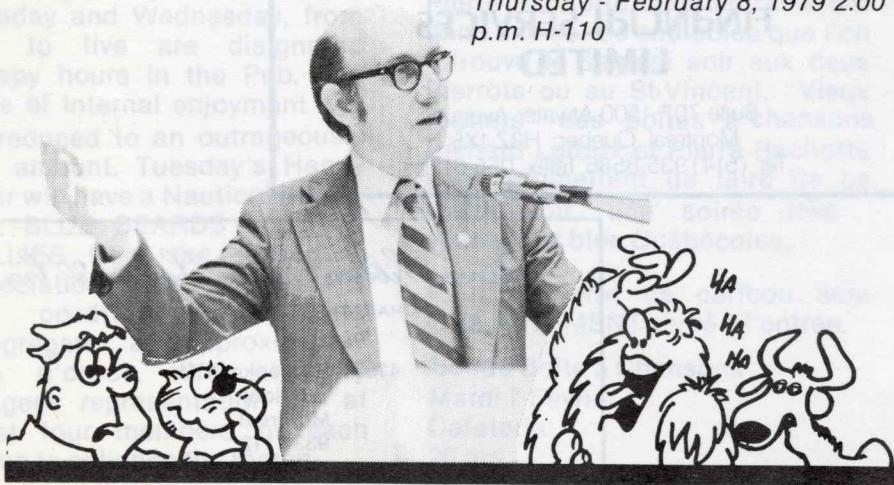

## Roast the Rector

Rector John W. O'Brien will have the opportunity to upstage Don Rickles by receiving the good humored yet venomous pokes and jabs of those he works with in Bishop Court and those scholars who inhabit these hallowed halls. We regret that Nipsey Russel and Foster Brooks will be unable to

participate on the panel but there will be Deans in attendance (although probably not Dean Martin).

Witness this memorial event where we get our chance to see the Rector "get his." This is the event that will symbolize a new chapter in the History book of Sir George Williams.

Thursday - February 8, 1979 2:00 p.m. H-110

## HEAR YE!

## HEAR YE!

Announcing the 1979 PUB CRAWL

On the 8th day of February, One Thousand Nineteen Hundred and Seventy-Nine, the learned Ladies and Gentlemen of Sir George Williams are invited to further their education on a tour of the beverage establishments in the district surrounding their hallowed halls.

This tour shall be competitive in the rally style with teams of three (3) persons each (no more—no less). There shall be no more than ten (10) teams and we pray for representatives from the various faculties. A fee (small) shall be charged of \$2 to defray costs and teams shall be accepted by order of registration. Prizes of value shall be accorded to the triumphant.

Registration forms are available at the DSA office.

# Ski Day

The 1979 Carnival Ski Day promises to be one of the most exciting days in some years. Owl's Head will be the scene of a great day of skiing which will include a combination slalom-obstacle course and Molstar races. For those with suicidal tendencies, the Mogul bashing run should provide some excitement (watch out Ken Reid). Ski instruction is available at reduced rates and ski equipment can be rented at the Ski Shop for the day.

Non-skiers can participate in snowshoeing and tobogganing (bring your own) or in the fabulous inner-tube races.

After the sun sets, all the action swings over to the bar where a limited number of people can burn off any excess energy on the dance floor. The ski party will include a mobile disco and reduced beer prices.

So come one, come all to a real barnburner of an event: Carnival '79 Ski Day.

Tickets on sale at Carnival Booth on Mezzanine.

Bus and lift ticket \$9.50

Bus only \$6.50

Lift ticket only \$5.

## Snowball

"A SPECIAL EVENT, JUST FOR YOU!"

If you *Missed* all the other Super Extravaganzas of this year's Winter Carnival then you have saved the best for the last. Don't bypass the golden opportunity to attend the "1979 Concordia Snowball!"

The *Semi-formal* atmosphere of the Windsor Hotel, (that's right, you read correctly) combined with "Starcity's" wild *Disco* beat, is sure to be the most memorable "Ball" ever. Get you tickets early as *All* Concordia Students are invited to participate.

A fantastic Doorprize of an *ALL-EXPENSE PAID TRIP TO FORT LAUDERDALE HAS BEEN DONATED BY BelAir and Skylark*. That's only one of the many attractions to be found at this year's "Ball."
